# Then and now

**1840** – “Age of mass migration” – first **government policies on immigration** (e.g. USA, Argentina, Brazil)

\*\*\*

**2005** – GCIM - *Migration in an interconnected world: New directions for action*  
All states should establish coherent national migration policies that are **based on agreed objectives**.

**2015** – *SDGs target 10.7* – “facilitate orderly, safe, and responsible migration and mobility of people, including through implementation of planned and well-managed migration policies”

**2017** - *Peter Sutherland’s Report* – Each Government needs to work out, and articulate clearly, (...) its migration policy.

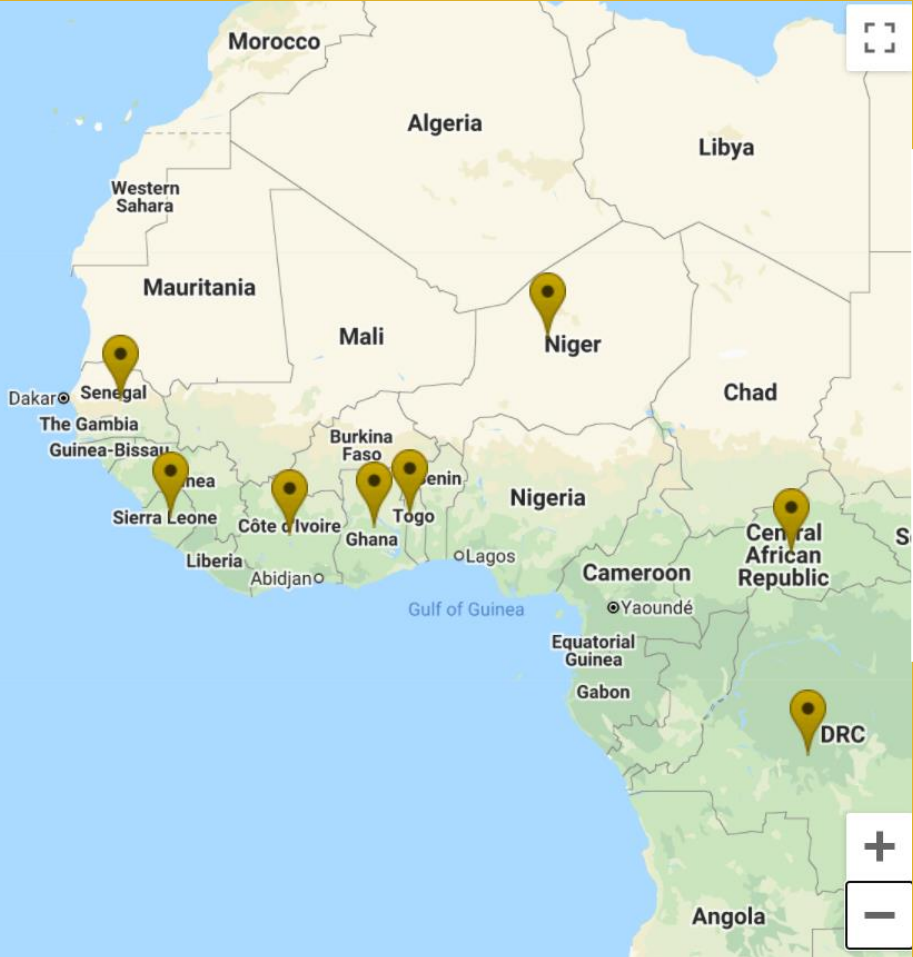

**2018** – GCM: promotes evidence-based policies that “unlock the potential of sustainable development for all”.
